				SST (8%) (RM)	**2,640.00**
				GRAND TOTAL (RM)	**35,640.00**

1. Payment term :
    i. 40% upon the signing of the Letter of Acceptance (LOA) and commencement of the project, including the requirements assessment and system design.
    ii. 30% upon completion of the administrator web portal, mobile applications and integration of the analytics modules.
    iii. 20% upon completion of the client's User Acceptance Testing (UAT) and implementation of the pilot project at selected farms.
    iv. 10% upon successful system launch across all farms, completion of user training, and submission of the final documentation.
2. Payment should be made:
    i. To : AUF & WAN VENTURE SDN BHD
    ii. Bank : MAYBANK
    iii. Bank account no. : 562405652959
3. The domain, system hosting and email hosting costs cover the first year only. Renewal for subsequent years shall be quoted separately.
4. Any request beyond the agreed scope of work (change request) shall be assessed and charged separately.
5. The client shall be responsible for providing access to the required data, farm information and liaison officers throughout the project period.
6. The warranty period and minor defect rectification support shall be valid for three (3) months after the system goes live. Thereafter, support shall be subject to a separate maintenance contract.

Should you have any enquiries concerning this quotation, please do not hesitate to reach us.

Thanks and best regards.
